Dr. Adrian to speak for 36th Consecutive year at the World of Concrete- January 2014

On January 21 and 22, 2014 Dr. Adrian will give the following two seminars at the World of Concrete to be held in Las Vegas, Nevada.

- Increasing Job Site Productivity: A Fifteen Point Program- Tuesday January 21, 2014
- A Practical Approach to Planning and Scheduling – Wednesday, January 22, 2014

Dr. Adrian has spoken for more years and has given more seminars at this annual construction conference than any other speaker. See list of years and number of seminars of various frequent World of Concrete speakers shown below (advisory board members shown in large print).
